November 2008

Dear Sir/Madam:

The Board of Directors of Porcupine Ski Runners invites groups, clubs, and recreational planners to consider using our excellent facility for their cross-country skiing and snow shoeing activities.

Included with this letter is a copy of our "Group Use of Facilities Policy" which outlines procedures and responsibilities for group users, and a registration form that must be completed if you decide to use the trails as a group.

I encourage you to pass this information on to someone in your organization that is interested in organizing a group cross country skiing or snow shoeing activity. They should **contact me by telephone or email first** to confirm available dates before completing the application. We like to spread group use throughout the week and we try not to have too many groups coming at the same time.

Finally, please inform your skiers of the upcoming open house, ski swap and waxing program organized by the Porcupine Ski Runners on November 22 and 23rd.

Yours truly,
